Employee Handbook

Kestrel Ridge Logistics - fictional company for demonstration purposes

1. Welcome and scope

This handbook describes the everyday rules that apply to all permanent employees of Kestrel Ridge Logistics in Colombia. Contractors are covered by their own agreements.

Where this handbook and a specific policy disagree, the specific policy prevails. Questions about this handbook should be sent to the People team through PeopleHub.

2. Working hours

The standard working week is 42 hours, Monday to Friday. Core hours are 9:00 to 16:00, during which every employee is expected to be available for meetings.

Overtime must be approved in advance by your manager and is registered in PeopleHub before the end of the same week.

3. Probation period

New employees have a probation period of 60 calendar days. During probation either party may end the contract without notice. Remote work is not available during probation.

4. Sick leave

If you are sick, notify your manager before 10:00 on the first day of absence. A medical certificate is required when the absence lasts more than 2 consecutive days.

Certificates are uploaded to PeopleHub within 3 business days of returning to work.

5. Family and personal leave

Maternity leave is 18 weeks and paternity leave is 2 weeks, as established by Colombian law. Employees may request up to 4 additional unpaid weeks immediately after parental leave.

Bereavement leave is 5 business days for the death of a spouse, partner, parent, child or sibling. Employees who get married receive 3 paid days of marriage leave.

6. Remote and hybrid work

After completing probation, employees in eligible roles may work remotely up to 3 days per week. Warehouse, fleet and reception roles are not eligible because they require presence on site.

Remote employees receive a one-time home office equipment stipend of COP 1,200,000 and a monthly internet allowance of COP 120,000, paid with the regular payroll.

Working from another country is limited to 20 days per calendar year and requires written approval from the People team at least 15 days before travelling.

7. Benefits

The company pays 70% of the premium of the complementary health plan for the employee. Dependants can be added at the employee's own cost.

Each employee has an annual learning budget of USD 600 for courses, certifications or books, approved by the manager in PeopleHub.

8. Performance reviews

Performance reviews take place twice a year, in June and in December. Each review combines a self-assessment, manager feedback and agreed goals for the next six months.

9. Code of conduct

Gifts or invitations from suppliers or clients worth more than USD 50 must be declared to the Compliance team within 5 business days.

Concerns about unethical behaviour can be reported anonymously to ethics@kestrelridge.example.
